Dear Parents and Guardians:

I wish to extend a warm welcome to you and your family as the Inlet Grove Community High School Governing Board Parent Liaison. My responsibility is to foster communication within the school and to assist with the development of the school community. This is another means of enhancing the quality of relationships within the school between teachers, parents/guardians, and the students.

As your parent liaison another responsibility is to help you complete a grievance if a need arises. If that should happen, please refer to the IGHS website, www.inletgrovehs.com, under the "About" tab, and click on "Governing Board". Then scroll down to the bottom of the page and follow the instructions for creating a grievance. After reviewing the instructions, if you feel it is necessary to complete a grievance, please complete Grievance Form A and contact me at any time.

Respectfully submitted,

Crystal Atkinson
